Starside

WALK-A-THON

2019

Thank you for supporting Starside Elementary School! We have an amazing group of students whose parents and family are a very important part of the De Soto community and economy. We appreciate your contribution and are thrilled to be able to recognize our partnership.

The Walk-a-thon is our largest fundraiser of the year. Your financial contributions go to support year-long efforts provided by Starside PTA. These funds will be used to provide classroom supplies, field trips, and family centered activities designed to increase parent participation in their child's education. This fundraising effort is a critical part of providing these opportunities each year. 100% of the funds raised will go towards Starside students and teachers! Please see the attached document explaining how we use these much needed funds.

We encourage you to join at the level of commitment that is right for your company. Please find the corporate sponsorship levels attached. If you have any questions regarding this program, please contact Starside PTA's Corporate Donation Committee Co-Chairs: Kim Manson at ksmanson@hotmail.com or Franchesca Harvey at fvallejo13@yahoo.com.

We thank you in advance and look forward to a mutually beneficial relationship between you and Starside Elementary School!
