Staff Grants – staff grants were completed and included several sets of books, keyboards for 5th grade, STEM items, technology items for younger grades to name a few.

5th Grade Celebration – Kim shared that PTA purchases the shirts for the 5th graders and they are Lexington Trails shirts they can wear for PE class in middle school. The celebration though is not a PTA event.

23-24 Committee Vacancies and Board Nominations – discussion was held surrounding the options available. Kelly Shriver and Michele Tiedeman stepped up to lead the Room Parent Committee. And Kayla Greene shared that she wanted to be part of the Board and would like to be VP or President. Since Kim Manson wanted to come off of the Board it was discussed that Kelsey Zabel would step into the President role and that Kayla would be VP for the following school year, ideally then Kayla would step into the President role in the year following. This was moved and 2nd.

The Budget was also discussed but not approval was moved because we have an event following (Family Night) so we will hold the budget approval for our September meeting.

A social event was held following the meeting at El Patron.
